

Let me tell you about Haikyuu.

It is a popular anime in Japan.

It is a story about boy's Volleyball.

It is important for us to know the joy of sports and fouth.

Also, opening and ending match the story.

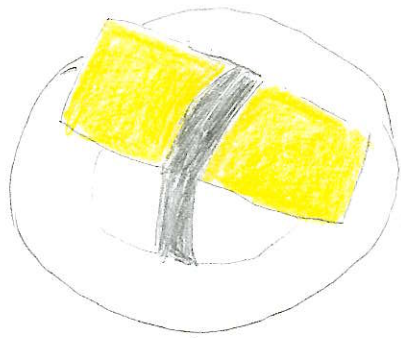

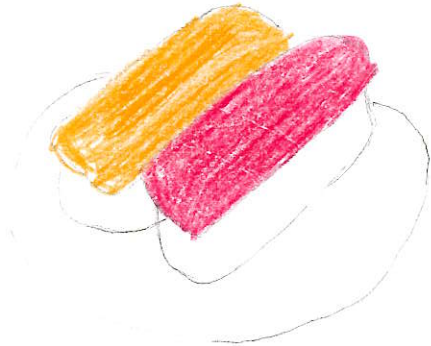

It is deeply moved.

We can know about Volleyball rules so it is useful.

It is interesting because everyone is main character, so I want you to watch it.

Sushi is a popular Japanese food.
It has been eaten since the 1800s.
There are various types of sushi such as
Nigirizushi Rolled sushi Chirashizushi.
You can enjoy conveyor belt sushi in Japan.
It is 100 yen per plate.
I often go with my family.
Please try Japanese sushi in Japan.

Cup Noodles are an essential part of any discussion of Japan.

Cup Noodles has been making since 1971. There are many different flavors, and they are very delicious. The most popular flavor is soy sauce.

All Japanese human like Cup Noodles.

Please eat cup noodles!

Do you know Tempura?

Tempura is a traditional Japanese deep-fried food.

It originates from the Portuguese dish "Temporas".

We can dip it in tempura sauce or eat it together with saba or udon noodles.

You should definitely try the shrimp and chikuwa tempura!

Are you familiar with Sanrio? Sanrio is a character brand that originated in Japan in 1960. Sanrio was created with the motto of "everyone getting along."

Sanrio is a coined word combining the Spanish words "San" holy and "Rio" river.

I learned for the first time that Sanrio means "holy river." I want to know more about Sanrio!

Have you ever watched Studio Ghibli?
It was built in 1985. It has 27 series.
"Nausicaä of the Valley of the Wind" is the
oldest movie of 27 series.
Studio Ghibli is very famous in the world!!
For example, "My Neighbor Totoro" and
"Spirited Away", "The Boy and the Heron" and soon.
My favorite Studio Ghibli movies are
"Howl's Moving Castle" and "Princess Mononoke"!!
There is a "Ghibli Park" in Nagoya.
If you are interested in it, please visit there !!!

MYAKU-MYAKU

Do you know MYAKU-MYAKU?

MYAKU-MYAKU is the mascot
for the Osaka Expo.

MYAKU-MYAKU is made of
cells and pure water.

MYAKU-MYAKU can change
various forms.

MYAKU-MYAKU's current
appearance is like human.

MYAKU-MYAKU is very popular
after Osaka Expo.

Let's meet MYAKU-MYAKU!

Sukiyaki is one of the Japanese
pot food. Japanese people have been
eating sukiyaki since Edo period.
It uses beef, green onion, shirataki,
chinese cabbage, Tofu. sugar and
soy sauce based soup is used.
People often eat it in winter.
People eat it with raw eggs.
Please try real sukiyaki in Japan.

Do you know about katana?

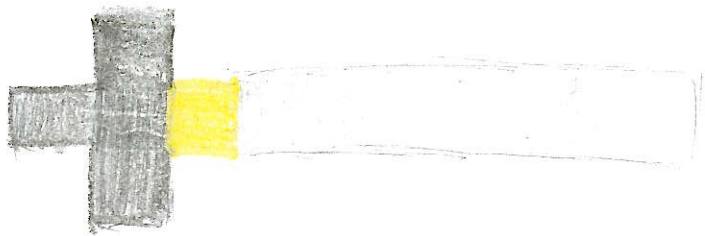

It is a traditional weapon used by Samurai.

It was used over 2300 years.

Black Smith hammer the iron called "Tamahagane"
over 80000 times.

It is sharp and cool.

When you come to Japan please visit katana
museum in Nagoya.

I'll introduce mottainai.

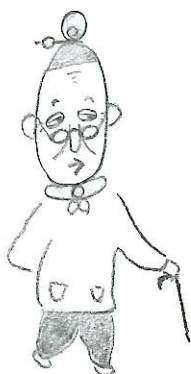

It made in Edo period. It means 3R
and respect for nature and life.

Do you know Mottainai Grandma?

This book was created to tell mind of
mottainai.

If you leave food, Mottainai Grandma
will come.

Let's be careful to her.

「もったいないばあさん」

I will explain summer festival.

Summer festivals have food carts like candy apple, yakisoba, takoyaki and so on.

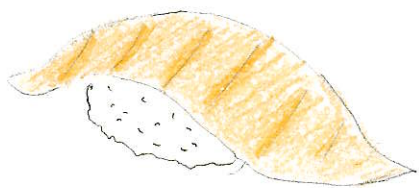

What to wear for summer festival in the Yukata.

Fireworks are also set off on the occasion of summer festival.

In the festival of Noto is something called Abate Maturi.

Do you often eat sushi? Sushi is one of the famous foods in Japan. We can eat seasonal fish easily. The price can be cheap if you eat at conveyor belt sushi. However if you go to authentic counter sushi restaurant, it is super expensive. When you eat sushi, you should try Otoro, fatty tuna. It is the most expensive sushi. Salmon is the most popular in Japan. but I like sweet shrimp. Please try various sushi if you come to Japan.

salmon

Otoro

Have you ever been to Hanami?

Hanami is enjoy watching Sakura in the park.

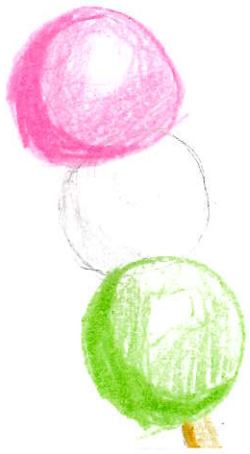

It is from 1200 years ago.

At Hanami there are many food stalls and food trucks.

Also dango have long been eaten there.

We can enjoy Hanami with our family and friends.

I hope you enjoy Hanami!

This is Japanese ramen.

Ramen is popular with people around the world. There are salt, soysauce, miso and pork bone based soup.

The most popular is soysauce flavor.

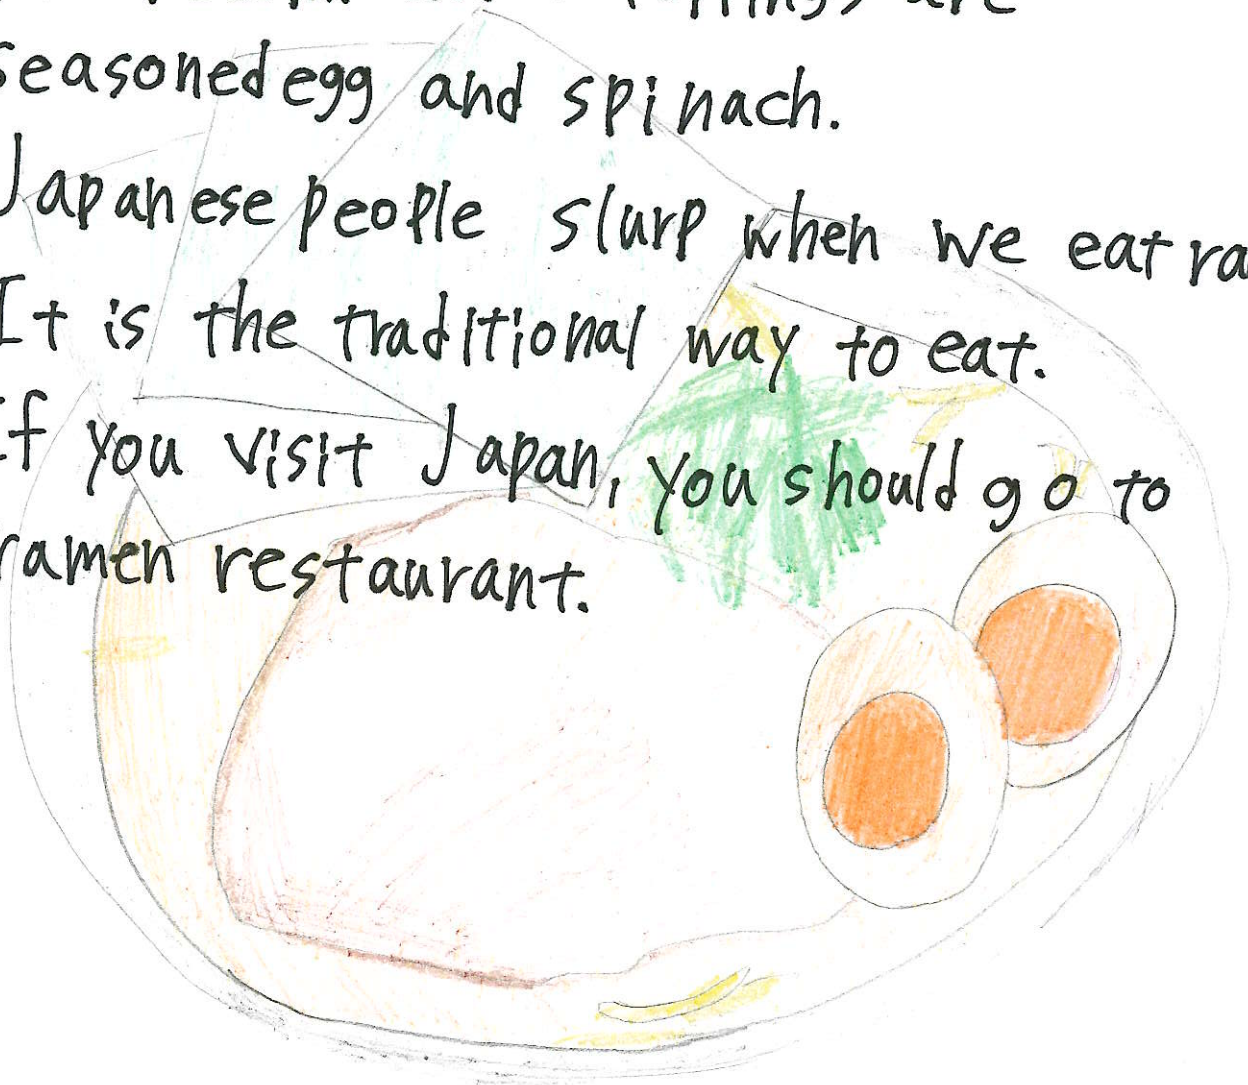

People can add some toppings.

The recommended toppings are seasoned egg and spinach.

Japanese people slurp when we eat ramen.

It is the traditional way to eat.

If you visit Japan, you should go to ramen restaurant.

Do you know Jpop?

Jpop

Jpop is Japanese music.

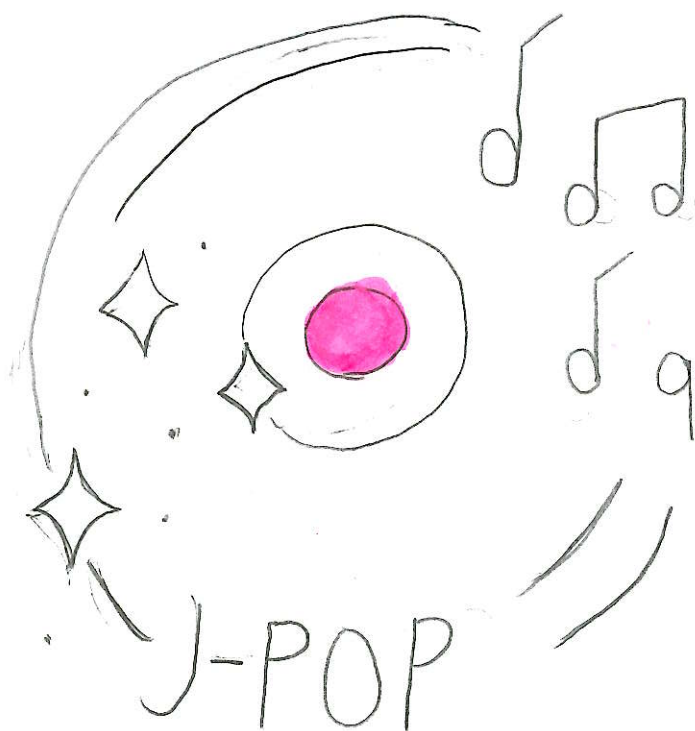

Jpop was originated from the radio station J-WAVE.

Anime songs are the most famous and listened in Jpop.

For example, Kenshi Yonezu, Aimeyon, Mrs GREENAPPLE, Yoasobi, M!LK and so on.

Jpop songs are really fun to listen to.

Let's listen to Jpop!

Natto is fermented food.

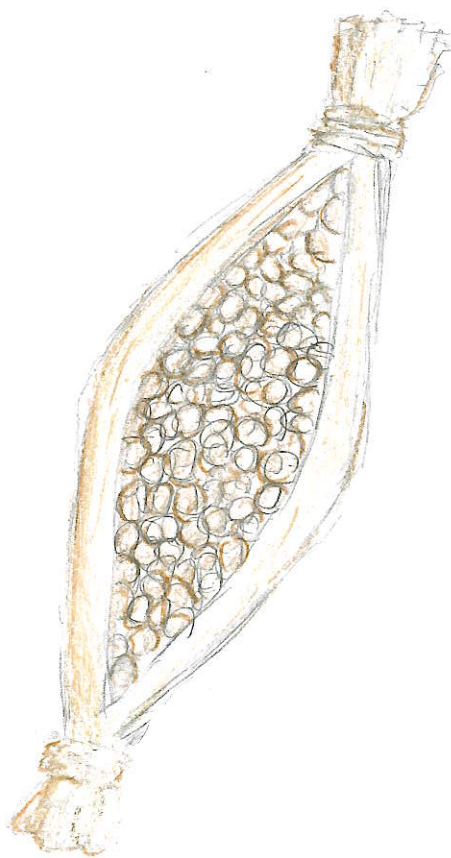

It is good for our health Japanese people have been eating natto since Heian period.

It is sticky and slimy so some people don't like it but I eat natto three times a week.

We eat it with white rice.

The price is around 50 yen to 150 yen.

It is sticky and yuck but please try it when you visit Japan.

This is TKG

(Tamago Kake Gohan)

It is a mixture of rice and raw egg.

We add say sause or salt to it.

We eat this in the morning.

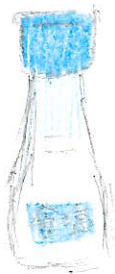

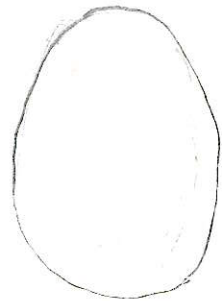

This is delicious

Eggs are cheap so a lot of

people eat it at home.

TKG is our soul food.

Please give it a try

or

This is Japanese sushi.

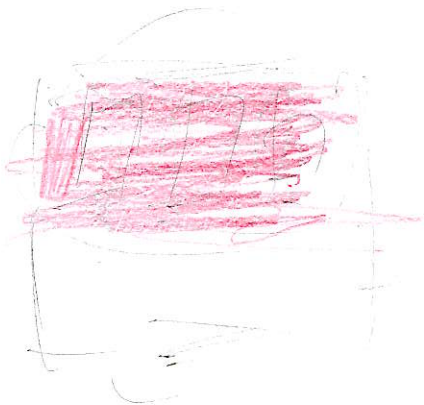

There are 2 types of sushi.

one is nigiri and the other is makizushi.

Nigiri is the most popular food and a lot of people eat it on a special day. ^{It is} made of vinegared rice and fresh raw fish.

The most popular is Salmon and second is Tuna. My favorite fish is chatero, fatty part of tuna.

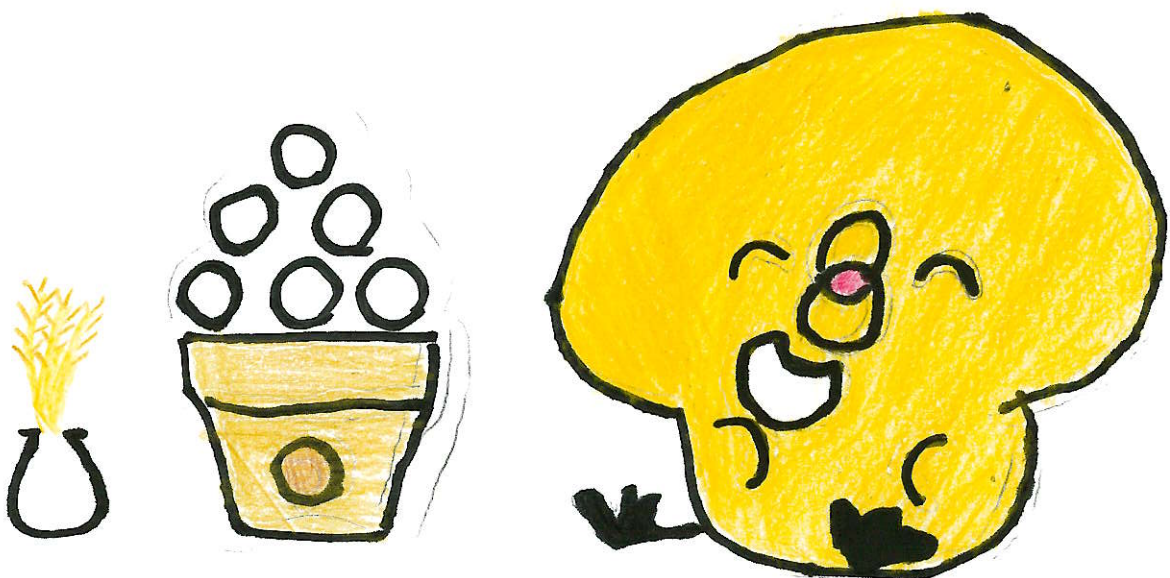

Please to Tapan and try nigiri sushi.

Otsukimi is a Japanese culture
It is in October.

People see full moon. people prepare dango
and susuki grass to play health
and happiness.

Japanese people have enjoyed otakimi
since Heian period
Please enjoy!!

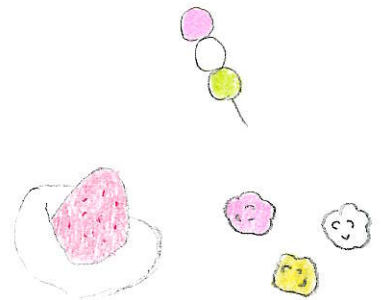

I will introduce Japanese sweets.

There are three kinds of flavors.

For example konpeito, Monaka, Daifuku and so on. It is made from rice, wheat, beans, Agar and so on.

They let us feel the seasons and nature. They look beautiful and tasty.

I want everyone to try them.

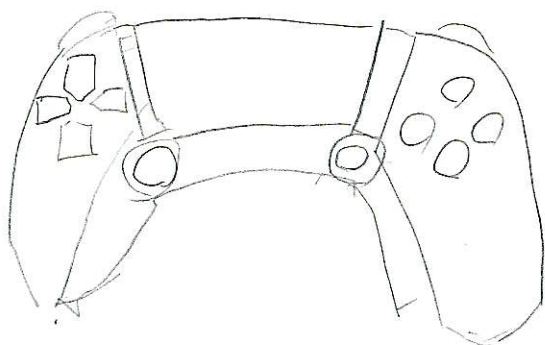

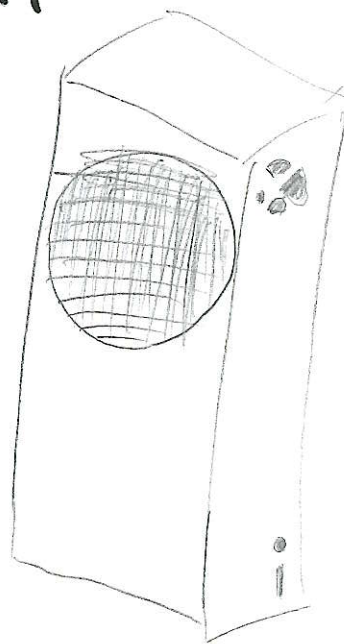

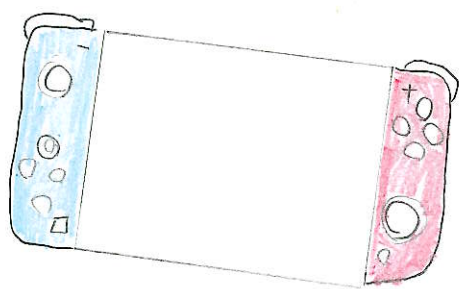

Do you like games? I like games.

I will introduce Japanese Game Consoles.
It became a trend because the Fam/com
sold very well.

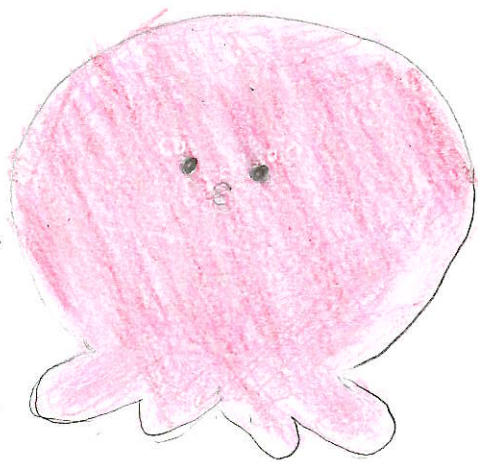

Various companies released game consoles

There are 'Play Station', 'X box 360',
'Nintendo Switch', and so on.

We can experience rhythm,
VR technology and Fantasy.
Please try it !!

Have you ever eaten Takoyaki?
This is very delicious food.
There are various flavours.
For example, Mentaiko Mayo, Teriyaki
and so on. Especially I think Mentaiko
Mayo is the best! Japanese
people are enjoying "Takopā". I love it.
I want everyone to try the "Takopā".
Takoyaki will save the world!

I want to introduce Otsukimi. It is traditional Japanese event. It was introduced from China during the Heian Period. Nowadays, we eat dango while looking at the moon, but in the past, people gave thanks for the autumn harvest. The dango we eat was originally an offering. By the way, before dango became an offering, taro was. So, Kansai's tsukimi dango is shaped like a taro. Also, There is a food called "tsukimi soba" or "tsukimi udon". Let's enjoy Otsukimi!

I'd like to introduce Hyakunin Isshu.

It is a traditional Japanese card game.

The rules are difficult. For example we mustn't speak.

People have been playing hyakunin Isshu since

Kamakura period.

Hyakunin Isshu has 100 cards.

The most famous card is

"Chihayafuru kamiyomokikazu Tatsutagawa

Karakurenaini Mizukukuru towa"

We should know Japanese culture.

I think we should enjoy Hyakunin Isshu.

I will introduce

The Legend of Zelda: Breath of the Wild.

It was released in 2017. Its author is Miyamoto Shigeru. Main character is Link. He must knock down Ganondorf with master sword to save Zelda. You can adventure free in the open world. Also, you can collect many things such as weapons, equipments and materials. There are four series. It is very interesting. Please play it!

Comic books are Japanese popculture.
They are very popular, because they are interesting
and exciting. It is popular with foreigners.
There are various genres battle, love story and mystery.
We never get tired of reading it for a long time.
Japanese people have been reading comic books.
I think comic books is the most interesting culture.
Let's all read it!!

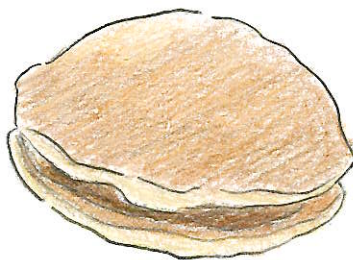

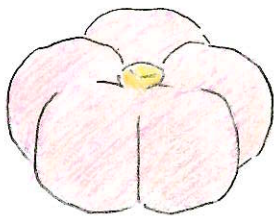

I will introduce Wagashi.

It is made from rice flour, azuki beans, sugar, and so on. It expresses four seasons' beauty.

It goes well with green tea.

Daifuku is the most popular Wagashi. I want everyone to try Wagashi.

Have you ever heard Japanese Oshogatsu?

Children can get New Year's money on
New Year's Day.

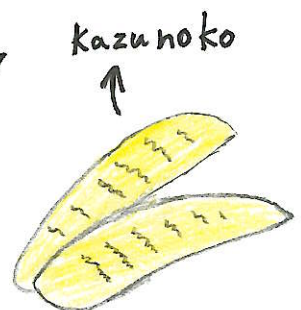

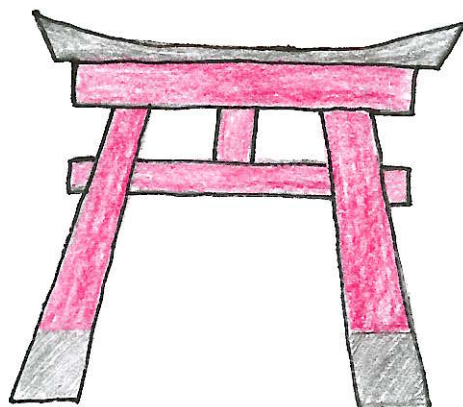

You can get a lot of money.

We eat Osechi on New Year's Day.

Osechi is a traditional Japanese food.

I like the kazu noko in Osechi.

Also, people often go to a shrine and
pray for good luck

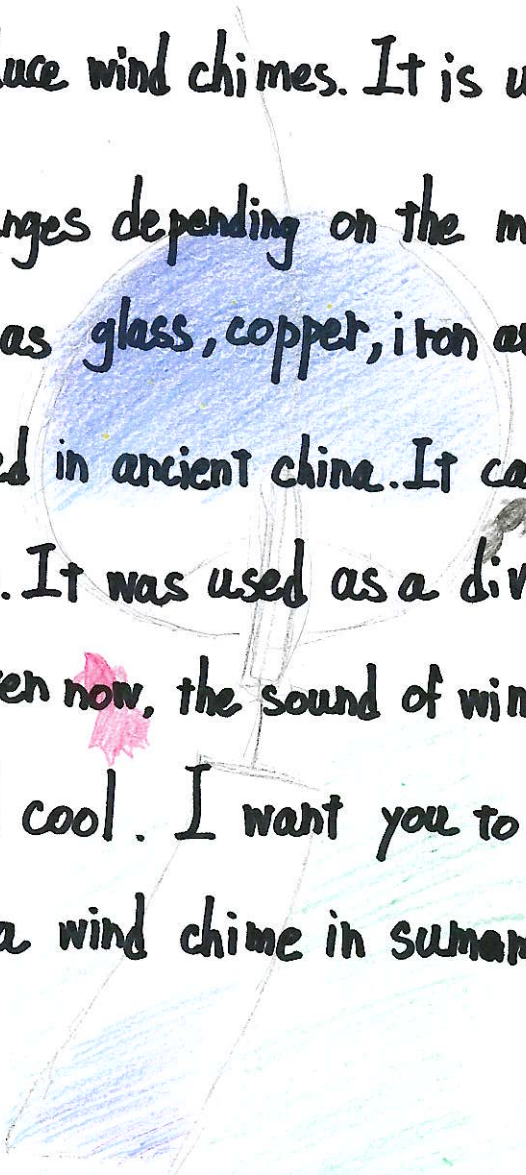

Wind chimes

I will introduce wind chimes. It is used to feel Cool.

The sound changes depending on the material and shape, such as glass, copper, iron and so on.

It was created in ancient china. It came to Japan with buddhism. It was used as a divination tool in the past. Even now, the sound of wind chimes makes us feel cool. I want you to listen to the sound of a wind chime in summer.

The Dragon Ball

Do you know Dragon Ball?

It was created in 1984. It is scattered the seven orbs in the world. It means come true any wish. The treasure "Dragon Ball" and it is unfolding at the center main character "Son Goku". It is depicted Battle Adventure and Friendship. The comic. I recommend Majin Buu Arc.

Ramen is popular Japanese food. There are many kinds of flavor soy sauce, miso, salt, and tonkotsu.

I like all flavors.

People can add toppings.

Such as bamboo shoots and chashu.

ken do is Japanese
traditional martial arts.
It is difficult, but Very
interesting.
kendo have been continued
since Heian period.
but the number of kendo
players decreasing
I want everyone to know
kendo demand.
